ANNUAL REPORT, 1928.

IN presenting the Sixty-third Annual Report to the Governors and Subscribers, the General Committee have to record with deep regret the death of their Chairman, Mr. C. G. Arbuthnot. For many years Mr. Arbuthnot rendered valuable service by his untiring devotion, and the loss is very keenly felt by his colleagues. Captain R. F. H. Norman has been appointed Chairman of the General Committee in place of Mr. Arbuthnot.

The work of the Hospital has been maintained, although it has been carried on under great difficulties, owing to the reconstruction of the Out-Patients' Department and the erection of a new Nurses' Home. During the year, 524 In-Patients were admitted, being a decrease of only six patients in comparison with last year—the average length of stay was 20·5 days, which illustrates the serious nature of the operations performed. The number of new Out-Patients was 1,512, and there were 5,758 attendances, comparing respectively with 1,603 and 6,274 during 1927.

FINANCIAL POSITION.

Income.—The accounts under review show that the financial position is more satisfactory than it has been for some years past. With the exception of 1922, a deficiency has occurred every year since 1917, with the result that an accumulated debt of £2,957 was brought forward for 1928.

The income has increased from £4,647 in 1927 to £5,392 in 1928, a gain of £745. The expenses during the corresponding period have been reduced from £5,327 to £4,736, representing a saving of £591. The revenue for the present year has thus exceeded expenditure by £656, after making good a loss of £679 on income account in 1927.

The Committee, therefore, wish to place on record their deep appreciation of the continued co-operation of the Governors and Subscribers, whose support has helped to bring this improvement in the financial position.

The following statement shows the receipts for the years 1927–1928, and it will be seen that considerable sums are contributed by the patients themselves :—

	1927	1928
	£	£
Annual Subscriptions	310	371
Donations	682	966
Boxes	21	83
Gifts in kind	80	122
King Edward's Hospital Fund	500	550
Hospital Sunday Fund	110	120
Hospital Saturday Fund	145	165
Patients' Payments	1,833	1,861
Hospital Saving Association	326	477
Approved Societies	38	140
Dividends	602	537
	<hr/>	<hr/>
	£4,647	£5,392
	<hr/>	<hr/>

Expenditure.—The decrease in expenditure has been achieved solely by price reductions and most careful economies, for in no way has the quality or quantity been lessened, and once again the King Edward's Hospital Fund statistics show that the Grosvenor Hospital, in comparison with similar institutions, is the lowest in cost per bed. The Committee wish to emphasise the fact that, although big economies have been made, the welfare of the patients is the first consideration.

For the purpose of comparison the following figures are given :—

	1927	1928
	£	£
Provisions	1,070	867
Surgery and Dispensary	741	632
Domestic	1,014	945
Salaries and Wages	1,128	1,110
Miscellaneous	102	126
Administration	418	535
Establishment	315	68
Finance	539	453
	<u>£5,327</u>	<u>£4,736</u>

The Committee wish to thank the King Edward's Hospital Fund, the Hospital Sunday Fund, and the Hospital Saturday Fund for the much appreciated grants towards the General Fund of the Hospital.

THE ENLARGEMENT OF THE HOSPITAL.

The Extension Scheme was commenced during the year and it is no exaggeration to say that the completion of these plans will be of incalculable benefit to the patients, for it will be possible to cope with the growing demands that are being made upon the services of the Hospital. Unfortunately, the foundations of the Out-Patients' Department, upon which the Nurses' Home is being built, were found to be totally inadequate to withstand the extra strain involved, and the cost of under-pinning and strengthening the foundations has thrown upon the Hospital an unexpected liability of nearly £2,000 above the estimated cost of the Building. In all, a sum of £15,000 is needed before the work of the Hospital can be carried on with confidence and hope. Of this amount, the sum of £5,110 has been received, and the Committee earnestly appeal for help in raising a further £10,000. The work is now nearing completion, and H.R.H. Princess Louise, Duchess of Argyll, has consented to perform the official opening ceremony some time in May.

The Ladies' Association has once again rendered valuable assistance, and the Committee of Management wish to take this opportunity of conveying to these ladies an expression

of their deepest gratitude and the hope that this support will grow year by year.

Her Majesty the Queen was graciously pleased to send gifts of fruit and flowers to the patients.

The Committee feel that special thanks are due to the following benefactors for their munificent gifts :—

Since the preparation of this report the Committee record with deep regret the death of Lord Aberdare, who had for many years been a generous supporter of the Hospital, and had taken an active interest in all that concerned its welfare. For the last 16 years Lord Aberdare had given his services as President, and his loss will be keenly felt by all who realise how valuable those services have been to the Hospital.
